All designs available for sale on IsaSalesTools.com.au have been pre-approved by Isagenix's Corporate Identity and Graphic Standards Guides and cannot be altered or impaired in design by the addition of unauthorised content that is not fit for the purpose of the item. This includes, but is not limited to:

- ii. Changing the size, colour or font types pictured
- iii. Adding in information or slogans that is contrary to those allowed by Isagenix Policies and Procedures found on your Isagenix Back Office
- iv. Displaying links to other websites is **not permitted**; you may however include your official Isagenix website i.e. firstlast.isagenix.com
- v. All reference to social networking sites needs to strictly follow the guidelines set out in the Guidance Document for Online Marketing: Internet Advertising and Social Media found at AU.IsagenixCompliance.com
